MIST WINE STYLES

Acai Raspberry Cabernet Sauvignon

Acai (pronounced ah-sigh-ee) is grown in the palm trees of the Amazon rainforest and said to be one of the most nutritious foods in the world. It has 15 times greater antioxidant properties than grapes and a great source of amino acids. It is thought to boost energy, improve digestion and create mental clarity. This small dark purple fruit is so tasty, a blend of berries with a hint of chocolate, that you can hardly believe that it is also good for you. Combine this intense fruit with sweet, ripe raspberries and Cabernet Sauvignon to create a powerhouse of a wine.

Mango Mint Chenin Blanc

Mint is the multipurpose herb - useful as a culinary addition in desserts, used to make sweet tea, in cocktails, as well useful for settling an upset stomach. This refreshing herb finds a perfect pair with the succulent, ripe mango - the cool flavor of mint refreshes and cleanses the mouth after the mango's sweetness, leaving a pleasant taste. The balance of sweet and cool in this fruity Chenin Blanc wine is a perfect after dinner digestive or summer cocktail.
