

EN PRIMEUR®

ULTRA PREMIUM WINE KIT | TROUSSE À VIN HAUT DE GAMME

Now
fermented
with

TALAGANTE

Chilean Merlot

Internationally acclaimed for its warm dry summers, moderate rainfall and stony soil, Maipo Valley provides a great microclimate for the Merlot grape.

This full-bodied wine is fermented on Merlot GENUWINE Dried Winery Grape Skins and heavy toasted French oak shavings.

It offers elevated succulent juicy berry flavours accentuated by delicate aroma notes of coffee and vanilla oak.
